To: Our shareholders

Dear Sir/Madam,

PROPOSED RENEWAL OF AUTHORITY FOR THE COMPANY TO PURCHASE ITS OWN SHARES

1. INTRODUCTION

At the 20th AGM held on 12 June 2025, our Board had obtained your approval for ECMLG to purchase and/or hold up to 10% of its total number of issued shares for the time being quoted on Bursa Securities. The aforesaid approval will continue in force until the conclusion of the forthcoming 21st AGM scheduled to be held on Tuesday, 16 June 2026 at 2.30 p.m. or at any adjournment thereof, unless it is renewed at the said AGM.

As such, our Board had on 26 February 2026 announced our Company's intention to seek your approval for the Proposed Share Buy-Back Renewal at the forthcoming 21st AGM.

This Statement serves to provide you with the relevant details of the Proposed Share Buy-Back Renewal as well as the recommendation of our Board and to seek your approval for the ordinary resolution pertaining to the Proposed Share Buy-Back Renewal to be tabled at the forthcoming 21st AGM.

We advise you to read and consider carefully the contents of this Statement before voting on the resolution pertaining to the Proposed Share Buy-Back Renewal at the forthcoming 21st AGM.

2. DETAILS OF THE PROPOSED SHARE BUY-BACK RENEWAL

2.1 The Proposed Share Buy-Back Renewal

Our Board now proposes to seek your approval for the renewal of authority for our Company to purchase and/or hold up to 10% of its total number of issued shares for the time being quoted on Bursa Securities, subject to compliance with Section 127 of the Act, Listing Requirements and other applicable rules and regulations (“**Conditions**”). On the assumption that our Company complies with the Conditions, and based on the total number of issued shares of our Company as at the LPD of 495,293,823 Shares, our Company may purchase up to a maximum of 49,529,382 Shares (please refer to section 5.1 of this Statement) pursuant to the Proposed Share Buy-Back Renewal, representing 10% of the total number of issued shares of our Company.

Your authority for the Proposed Share Buy-Back Renewal shall be effective upon the passing of the ordinary resolution for the Proposed Share Buy-Back Renewal at the 21st AGM, and will continue to be in force until:

- (i) the conclusion of the next AGM of our Company following the 21st AGM at which such ordinary resolution was passed, at which time it will lapse, unless by ordinary resolution passed at that general meeting, the authority is renewed, either unconditionally or subject to conditions; or
- (ii) the expiration of the period within which the next AGM of our Company after that date is required by law to be held; or
- (iii) revoked or varied by an ordinary resolution passed by our shareholders in a general meeting;

whichever occurs first.

The maximum amount of funds to be allocated for the Proposed Share Buy-Back Renewal will be subject to the retained profits of our Company. The Proposed Share Buy-Back Renewal will be funded from internally generated funds and/or bank borrowings. Based on the audited financial statements of ECMLG for the FYE 31 December 2025, the retained profits of our Company stood at RM96.27 million.

The authority for the Proposed Share Buy-Back Renewal will allow the Directors to exercise the power of our Company to purchase its own Shares at any time within the abovementioned time period using the internal funds and/or bank borrowings of our Company. The actual number of Shares to be purchased will depend on, amongst others, the market conditions and sentiments of the stock market, the availability of financial resources and the retained profits of our Company at the time of the purchase(s). In the event that the Proposed Share Buy-Back Renewal is to be partly financed by bank borrowings, our Company expects that it will be capable of repaying the bank borrowings and that bank borrowings will not have any material impact on the cash flow of the ECMLG Group.

Our Board will ensure that ECMLG satisfies the solvency test as stated in Section 112(2) of the Act before the execution of the Proposed Share Buy-Back Renewal.

2.2 Pricing

In accordance with the Listing Requirements, our Company may only purchase the Shares on Bursa Securities at a price which is not more than 15% above the WAP for the Shares for the 5 market days immediately before the purchase(s) and our Company may only resell the treasury shares on Bursa Securities or transfer the treasury shares pursuant to Section 127(7) of the Act at:

- (i) a price which is not less than the WAP for the Shares for the 5 market days immediately before the resale or transfer; or

- (ii) a discounted price of not more than 5% to the WAP for the Shares for the 5 market days immediately before the resale or transfer provided that:
 - (a) the resale or transfer takes place not earlier than 30 days from the date of purchase; and
 - (b) the resale or transfer price is not less than the cost of purchase of the Shares being resold or transferred.

2.3 Treatment of the Purchase Shares

In accordance with Section 127 of the Act, our Board may deal with the Shares so purchased by our Company pursuant to the Proposed Share Buy-Back Renewal in the following manner:

- (i) cancel all the Purchased Shares; or
- (ii) retain the Purchased Shares as treasury shares; or
- (iii) retain part of the Purchased Shares as treasury shares and cancel the remainder; or
- (iv) distribute the treasury shares held as dividends to our shareholders; or
- (v) resell the treasury shares on the market of Bursa Securities; or
- (vi) transfer the treasury shares as purchase consideration; or
- (vii) such other manner as Bursa Securities and other relevant authorities may allow from time to time.

The decision whether to retain the Purchased Shares as treasury shares, or to cancel them or a combination of both, or any alternatives as mentioned above, will be made by our Board at the appropriate time.

If the Purchased Shares are to be retained as treasury shares, the rights attaching to them as to voting, dividends and participation in any other distribution or otherwise will be suspended and the treasury shares shall not be taken into account in calculating the number or percentage of Shares in our Company for any purpose including the determination of substantial shareholdings, take-overs, notices, the requisitioning of meetings, the quorum for meetings and the result of a vote on resolution(s) at our shareholders' meetings.

3. RATIONALE FOR THE PROPOSED SHARE BUY-BACK RENEWAL

The potential benefits of the Proposed Share Buy-Back Renewal to our Company and our shareholders are as follows:

- (i) The Proposed Share Buy-Back Renewal may enable our Company to utilise any of its surplus financial resources to purchase its own Shares from the open market, which may have a positive impact on the market price of ECMLG Shares. The Proposed Share Buy-Back Renewal, if implemented may help to stabilise the supply and demand of the ECMLG Shares traded on Bursa Securities and thereby support its fundamental value.
- (ii) The Proposed Share Buy-Back Renewal may also improve the future EPS of ECMLG Group and the return on equity as a result of the reduction in the total number of issued shares of ECMLG if the Purchased Shares are subsequently cancelled.
- (iii) If the Purchased Shares are to be retained as treasury shares, this will provide an option for our Company to resell the treasury shares at a higher price and generate a capital gain for our Company. Alternatively, they may be distributed as share dividends to reward our shareholders in the future.

4. **POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED SHARE BUY-BACK RENEWAL**

The potential advantages of the Proposed Share Buy-Back Renewal are as follows:

- (i) allows our Company to take preventive measures against speculation particularly when the ECMLG Shares are undervalued; and
- (ii) allows our Company the flexibility in attaining its desired capital structure.

Other potential advantages of the Proposed Share Buy-Back Renewal are set out in section 3 above on the "Rationale for the Proposed Share Buy-Back Renewal".

The potential disadvantages of the Proposed Share Buy-Back Renewal are as follows:

- (i) the Proposed Share Buy-Back Renewal will reduce the financial resources of our Group and may result in our Group foregoing better investment opportunities that may emerge in the future; and
- (ii) as the Proposed Share Buy-Back Renewal can only be made out of retained profits of our Company, it may result in the reduction of financial resources available for distribution to our shareholders in the immediate future.

Nevertheless, the Proposed Share Buy-Back Renewal is not expected to have any material adverse effect on our Company or our shareholders, as it will be undertaken only after due consideration of the financial resources of ECMLG Group and its resultant impact. Our Board, in exercising any decision on the Proposed Share Buy-Back Renewal, will be mindful of the interests of our Company and our shareholders.

5. **EFFECTS OF THE PROPOSED SHARE BUY-BACK RENEWAL**

Based on the assumption that the Proposed Share Buy-Back Renewal is carried out in full on the LPD, the proforma effects are as follows:

5.1 **Total Number of Issued Shares**

The Proposed Share Buy-Back Renewal will result in the reduction of the total number of issued shares of ECMLG if the Purchased Shares are cancelled.

On the assumption that the Proposed Share Buy-Back Renewal is implemented in full and all the Purchased Shares are cancelled, the proforma effect of the Proposed Share Buy-Back Renewal on the total number of issued shares of ECMLG as at the LPD is illustrated below:

	<u>No. of Shares</u>
Total number of issued shares of ECMLG as at the LPD	495,293,823
Maximum number of ECMLG Shares that may be purchased pursuant to the Proposed Share Buy-Back Renewal (10% of the total number of issued shares of ECMLG) and cancelled	(49,529,382)
Resultant number of issued shares of ECMLG after full implementation of the Proposed Share Buy-Back Renewal and cancellation	445,764,441

However, the Proposed Share Buy-Back Renewal will have no effect on the total number of issued shares of ECMLG if all the Purchased Shares are to be retained as treasury shares, resold or distributed to our shareholders as share dividends.

5.2 NA

The effects of the Proposed Share Buy-Back Renewal on the NA per share of our Group are dependent on the purchase price and the number of Purchased Shares.

The Proposed Share Buy-Back Renewal will reduce the NA per share of our Group if the purchase price exceeds the NA per share of our Group at the time of purchase. On the contrary, the NA per share of our Group will increase if the purchase price is less than the NA per share of our Group at the time of purchase.

In the event the Purchased Shares which are retained as treasury shares are resold, the NA of our Group will increase if a gain is realised upon the resale and vice-versa.

5.3 EPS

The Proposed Share Buy-Back Renewal could facilitate an enhancement in the calculation of the EPS of our Group, the extent of which will depend on the actual number of Shares bought back and the purchase price paid and the effective cost of funding or any loss in interest income to ECMLG Group.

In the event the Purchased Shares which are retained as treasury shares are resold, the extent of the effect on earnings of ECMLG Group will depend on the actual selling prices, the number of treasury shares resold and the effective gain or interest savings arising therefrom.

5.4 Working Capital and Cash Flow

The Proposed Share Buy-Back Renewal, as and when implemented, will reduce the working capital and cash flow of our Group, the quantum of which will depend on the number of Shares eventually purchased and the purchase price of the Purchased Shares.

For Purchased Shares which are retained as treasury shares, upon their resale, the working capital and cash flow of our Company will increase, the quantum of which will depend on the actual selling price of the treasury shares and the number of treasury shares resold.

5.5 Dividend Policy

The Proposed Share Buy-Back Renewal is not expected to have any material effect on the dividend policy of our Company. The dividend to be declared by our Company in the future, if any, shall depend on, amongst others, the profitability and cash flow position of our Group and our Company.

6. DETAILS OF PURCHASE OF SHARES, RESALE, TRANSFER OR CANCELLATION OF TREASURY SHARES IN THE PRECEDING 12 MONTHS

ECMLG does not have any treasury shares and neither have we made any purchase of our own Shares, resold, transferred or cancelled any treasury shares in the 12 months preceding the date of this Statement.

7. PUBLIC SHAREHOLDING SPREAD

As at the LPD, the public shareholding spread of ECMLG stood at 25%. Our Board will ensure that the Proposed Share Buy-Back Renewal be implemented in such a manner so as not to cause the public shareholdings spread to fall below 25% as required under Paragraph 8.02(1) of the Listing Requirements.

8. IMPLICATION RELATING TO THE CODE

Pursuant to the Code, a person or a group of persons acting in concert will be required to make a mandatory general offer if his/their stake(s) in ECMLG is/are increased beyond 33% of its total number of issued shares or his/their existing shareholding(s) is/are more than 33% but less than 50% and it exceeds by another 2% in any 6 months' period.

In the event that the Proposed Share Buy-Back Renewal results in the shareholdings of any of the above parties being affected, the said person or group of persons acting in concert will be obliged to make a mandatory general offer for the remaining Shares not held by him/them. However, an exemption from a mandatory offer obligation may be granted by the SC under the Code, subject to the affected person and the parties acting in concert complying with certain conditions, if the obligation is triggered as a result of action outside their direct participation.

As it is not intended for the Proposed Share Buy-Back Renewal to trigger the obligation to undertake a mandatory general offer by any of its substantial shareholders and/or parties acting in concert with them, ECMLG is mindful that only such number of shares are purchased, retained as treasury shares, cancelled or distributed such that the Code will not be triggered. However, in the event that an obligation to undertake a mandatory offer should arise with respect to any parties from the Proposed Share Buy-Back Renewal, the relevant parties shall make necessary application to SC for an exemption from undertaking a mandatory offer under the Code before a mandatory offer is triggered.

9. HISTORICAL SHARE PRICES

The monthly highest and lowest market prices of ECMLG Shares traded on Bursa Securities for the past 12 months from April 2025 to March 2026, and the last transacted price on the LPD are as follows:
